MESSAGE FROM THE PRIME MINISTER

BATTLE OF THE CORAL SEA

In marking the 81st anniversary of the Battle of the Coral Sea, we remember how it shaped our nation's fortunes at war, and beyond.

As we commemorate, we honour the memory of those who fought and died, and recognise the significant and lasting impact of the battle on our region.

We also remember Australia's and the United States' shared tradition of service in the cause of peace, and sacrifice in the name of freedom. Our enduring Alliance with the United States is built on the belief that peace, stability and security ensure greater prosperity and a greater measure of fairness for all.

Gathered in reflection and gratitude, we offer our remembrance as an act of hope that, one day, war will be done and peace will prevail.

We will remember them.
